

Latest Circuit News (05.01.2021)

Please be advised that this current lock down period means the circuit/track will stay closed until further notice.

Limited staff may be at the circuit most week days while we are in this current lockdown.

If you have a specific reason why you need to attend the circuit during this time, please contact the circuit in advance of coming, thank you.

“More importantly, we will open again & look forward to seeing everyone as soon as it becomes possible to do so”.

On 20th Feb 2021 (or before, if possible) we will issue the next lot of updates regarding our ‘Open/Close’ status for on track action again, for both hire kart customers & owner driver custom.

Keep well now, contact us with your enquiry (email & facebook messenger also).
