“The bigger picture is”

If throughout our winter 2019/2020 season we have good focus on the above Sunday format, Motorsport UK may then grant us (for Summer 2020 meetings) a track licence/event permits that have approval for the Bambino kart class at Lydd to race here within the MSUK Sunday meetings. This is at the discretion of MSUK and their decision will be final. We have listened to the Bambino community in 2019 & have put the above in place, so are looking forward to your continued support and hopefully a positive outcome for Summer 2020. Thank you all.
